SPURIOUS  
CALLS**

Dear Customer,

Firstly, we would like to Thank you for being a valued and a loyal Geek Superstore customer.

Often customers may receive some outbound calls scaring them about compromised system security.

We at Geek Superstore understand the importance of your data and web security and that's why please note that Geek Superstore will never call you asking for your credit card details or asking for additional money on services that you have already purchased.

In case of any such uncertain incident please do not share your system controls or make any payments on such spurious calls and contact us immediately on our Toll Free : 1-855-666-8856 or email us at [support@geeksuperstoreinc.com](mailto:support@geeksuperstoreinc.com)

We would like to thank your for your kind association with us.

Warm regards,  
Team Geek Superstore
